# Special Filming Conditions for Los Angeles County Beaches

## ZUMA BEACH

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- A City of Malibu permit is required in addition to the FilmL.A. still photo film permit.
- No filming at Lifeguard tower #9 due to Snowy Plover sighting.
- No parking in Lots #3 and #4, near Lifeguard Headquarters.
- All equipment must be 15 feet from pedestrian walkway.
- Must obtain prior approval from DBH to place vehicle and equipment on pedestrian walkway. Vehicles and equipment must be able to move in the event of an emergency.
